**Phrasal Verbs**

Authors: **Jamie Flockhart & Cheryl Pelteret**

English is full of phrasal verbs and it’s challenging for learners to know how and when to use them.

*Work on your Phrasal Verbs* covers the 400 most common phrasal verbs in depth with clear examples, definitions and exercises to help students learn how and when to use them correctly.

- Phrasal verbs are grouped into 25 themes, such as Feelings, Sport and Jobs, making them easier to memorise
- Full-sentence dictionary definitions with example sentences and extra background notes on usage
- Study tips on how to remember phrasal verbs

---

**Idioms**

Authors: **Sandra Anderson & Cheryl Pelteret**

Idioms in English can be amusing, colourful and expressive but they are never straightforward to understand, so it’s important to help students cope with them.

*Work on your Idioms* focuses on the 300 most common idioms, covering each of them in depth, with clear examples, definitions and exercises to help students learn how and when to use the idioms correctly.

- Idioms are grouped into 25 themes, such as Communicating, Money and Relationships, making them easier to memorise
- Study tips on how to remember idioms
- British English and American English variations included

---

**Work on your... Accent**

**Clearer pronunciation for better communication**

*Work on your Accent* helps students to speak clear English that everyone will understand by softening the influence of their mother tongue. Professional accent coaches Helen and Sarah demonstrate how to pronounce each sound, and show learners when to use them. They also help students to recognise why their native language makes it difficult for them to pronounce certain sounds and which sounds they need to focus on.

- Includes DVD-ROM with visual and audio material illustrating physical articulation and pronunciation
