# Language Courses for the Digital Classroom

ELI language courses are now available in **Digital Books**, to be used in the classroom with an interactive whiteboard or for self-study at home on the student's own computer.

**ELI Digital Books** are teacher-friendly and are compatible with any brand of interactive whiteboard.

- customise your lessons grouping all the resources in one multimedia tool
- involve the whole class and make lessons more motivating

All interactive exercises are identified by a moving icon. You can check your answers at the end of the exercise.
