- Vocabulary videos
- Videos Storytelling
- Teacher's Book

Tell Me is a storytelling-based English series where every story becomes a meaningful learning experience. Through stories, children naturally develop **language skills** while strengthening essential cognitive **abilities** such as attention, memory, visual discrimination, and critical thinking.

Each unit includes **STEAM and Agenda 2030 projects**, carefully designed to be easy, dynamic, and ready for teachers to apply, transforming learning into action with purpose and joy.

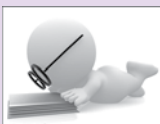

Highlights:

- Storytelling that builds language and thinking.
- Every story. Every skill. Every child.
- STEAM & Agenda 2030 projects — easy, dynamic, ready to teach.
- Where stories turn learning into action.
- Designed for today's Alpha learners.
